DynaVault

Just because you need a safe at a great price
doesn't mean you must give up **QUALITY** and
PROTECTION!

The newly designed *DynaVault* has met the challenge of
providing Protection and Value.

While maintaining the important features of a Mechanical
Re-Locker & Triple Layer Drill Resistant hard plate,
each model of the *DynaVault* gives you the best in
Real World Security.

**With 75 minutes of fire protection at 1200° you have more than enough to protect your
important documents and family photos from disaster.**
