

Steel-Body In-Floor Safes

**Proudly Built in America!** Hayman has been building this line of safes longer than most of our craftsmen working the line have been able to vote. We know the value and solid protection that an In-Floor Safe provides and we put extra features into every unit.

- Drill resistant Hard Plate
- S&G Combo Lock standard
- 1/2" or 1" Solid steel door
- Patented lift off door assembly allows for interchangeability.
- Sliding shelves in the FS16D & FS16T
- Mechanical Re-Locker
- Electronic Lock Options
- Spring assisted hinge
